

How to do dissertation:

Key is doing a lot of research. Look at other dissertations. Find a topic with a lot of research. Website: [www.learnerassociates.net/dissthes/](http://www.learnerassociates.net/dissthes/)

And look at UMI-University of Michigan

Dissertation:

## **5 Chapters-->**

**Chapter 1: Introduction: Problem Statement/Hypothesis**

**Chapter 2: Lit. Review**

(The problem statement tells you what should be in the lit. review)

**Chapter 3: Methodology**

Subjects (disaggregate)

Instrumentation (e.g. survey, interviews, etc.)

Data Analysis (e.g. patterns, themes, discrepancies)

**Chapter 4: Findings**

**Chapter 5: Conclusions and Recommendations**
