

Southampton COMPASS Foundation 501(c)3 - Founder

Compass strives to inspire the Southampton community to mobilize, unify and coordinate its resources to ensure the health and well being of all residents. Southampton Compass Coalition operates according to the following goals:

- Goal #1~reduce the incidence of alcohol, substance and tobacco use and abuse by increasing protective factors and minimizing risk factors in the Southampton youth, and over time, adult populations, with special effort directed to the children/families from the Native American, Hispanic, and African American communities.
- Goal #2~Continue to utilize the elements of the Strategic Prevention Framework to achieve a Southampton Compass Coalition which operates in an effective, accountable, comprehensive manner.
- Goal #3~Establish and strengthen collaboration among all key sector members in the community to support the efforts of the Southampton Compass Coalition.
- Goal #4~Ensure the sustainability of the Southampton Compass Coalition.
